Section 1 - Introduction

This directory provides a list of CHPW Cascade Select's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your Prietary Care Provider (PCP) clinic. Generally, you must get your health care services from your PCP clinic. If you do not select a Primary Care Provider clinic, we will assign one to you.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers, including specialists, listed in this directory. Please note that any services provided by an out-of-network provider require a referral. There are only a few types of covered services you can get on your own, without getting a referral (approval in advance) from your PCP clinic.

You must use network providers except in emergency situations. If you obtain non-emergency care from out-of-network providers, or if you do not have a referral when required, CHPW Cascade Select will not be responsible for the costs.

Please call Customer Service at 1-866-907-1906 (TTY: 711) from 8:00 a.m. to 5:00 p.m., Monday through Friday, or see your EOC for more information—including services that require a referral and the cost-sharing that applies to out-of-network services.

How do you find CHPW Cascade Select providers that serve your area?

Your PCP clinic is responsible for all your routine health care services. You should call them first with any health concerns, except for an emergency.

Your relationship with your PCP clinic is an important one. We strongly recommend that you choose a PCP clinic close to home. Having your PCP clinic nearby makes receiving medical care and developing a trusting and open relationship easier.

When making your choice, you might also consider if the PCP clinic office is open evenings and/or weekends and what languages the PCP clinic staff speak. If you have specific concerns such as disability access, you may want to call the provider's office to get the answers you need to pick the right PCP clinic. If there is a particular specialist or hospital that you want to use, check to be sure that your PCP clinic can make referrals to that specialist or hospital.

If you don't select a PCP clinic, CHPW will choose one for you in your area.

If you have questions about CHPW Cascade Select or require assistance in selecting a PCP clinic, specialist, hospital, or vision provider, please call our Customer Service Department at 1-866-907-1906 (TTY: 711), from 8:00 a.m. to 5:00 p.m., Monday through Friday. Sección 1: Introducción

Este directorio ofrece una lista de los proveedores de la red de los planes Cascade Select de CHPW. Para obtener más información sobre su cobertura de atención médica, consulte su Evidencia de cobertura (Evidence of Coverage, EOC).

Tendrá que elegir a uno de nuestros proveedores de la red que figuran en este directorio para que sea su clínica proveedora de atención primaria (Primary Care Provider, PCP). Por lo general, su clínica PCP es quien debe proporcionarle sus servicios de atención médica. Si no selecciona una clínica proveedora de atención primaria, le asignaremos una.

Los proveedores de la red que figuran en este directorio aceptaron brindarle sus servicios de atención médica y oftalmología. Puede acudir a cualquiera de nuestros proveedores de la red, incluidos los especialistas, que figuran en este directorio. Tenga en cuenta que los servicios prestados por un proveedor fuera de la red exigen una derivación. Existen solo algunos tipos de servicios cubiertos que puede obtener por su cuenta, sin contar con una derivación (aprobación por adelantado) de su clínica PCP.

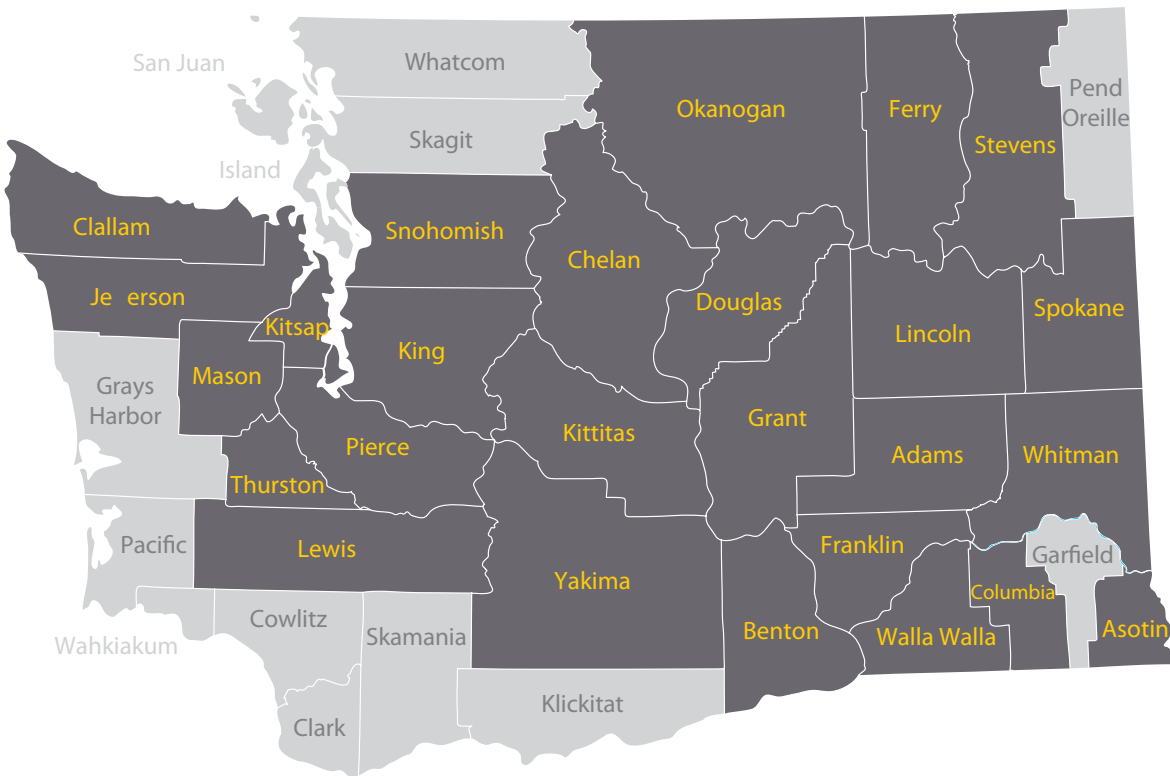

Debe utilizar proveedores de la red, salvo en situaciones de emergencia. Si obtiene atención que no sea de emergencia de proveedores fuera de la red o si no tiene una derivación en los casos en que se exige, los planes Cascade Select de CHPW no serán responsables de los costos.

Llame al Servicio al cliente al 1-866-907-1906 (TTY: 711), de lunes a viernes, de 8:00 a. m. a 5:00 p. m., o consulte nuestra EOC para obtener más información, incluidos los servicios que exigen una derivación y el costo compartido que se aplica a los servicios fuera de la red.

¿Cómo encontrar proveedores de los planes Cascade Select de CHPW que atiendan en su área?

Su clínica PCP tiene la responsabilidad de brindarle todos los servicios de atención médica de rutina que necesite. Debe llamarlos primero cada vez que tenga una inquietud con respecto a su salud, con la excepción de las situaciones de emergencia.

Su relación con su clínica PCP es importante. Le recomendamos especialmente que elija una clínica PCP que se encuentre cerca de su hogar. Al tener a su clínica PCP cerca de donde vive, le será más fácil recibir atención médica y desarrollar una relación abierta y confiable.

Cuando tome su decisión, también puede tener en cuenta si el consultorio de la clínica PCP está abierto a la noche y durante los fines de semana, y qué idiomas habla el personal de la clínica PCP. Si tiene inquietudes específicas, como el acceso para discapacitados, le recomendamos que llame al consultorio del proveedor para obtener las respuestas que necesita y poder elegir la clínica PCP adecuada para usted. Si existe un especialista u hospital determinado que desee utilizar, compruebe que su clínica PCP realice derivaciones a ese especialista u hospital.

Si no selecciona una clínica PCP, CHPW elegirá una por usted en la zona en donde vive.

Si tiene alguna pregunta sobre los planes Cascade Select de CHPW o necesita asistencia para elegir una clínica PCP, un especialista, un hospital o un proveedor de servicios oftalmológicos, llame a nuestro departamento de Servicio al cliente al 1-866-907-1906 (TTY: 711), de lunes a viernes, de 8:00 a. m. a 5:00 p. m.
