Community Health Plan of Washington updates our provider data and network status regularly as network changes occur and are identified. Every effort is made to ensure our publicized provider network is accurate. It is recommended to verify with the hospital or physician as to their participation status with Community Health Plan of Washington. You may also refer to your plan description or contact our Customer Service Department at the number listed on the back of your ID card for additional information.

The information provided in this Emergency Room Provider Directory is subject to change. Questions regarding the network status of a specific provider may be directed to Community Health Plan of Washington, Customer Service at: 1-800-440-1561 (TTY: 711) or customercare@chpw.org.

- If you believe any of the information in this Emergency Room Provider Directory to be inaccurate, please feel free to make a report by phone at: 1-800-440-1561 (TTY: 711)

Washington State and federal laws protect state-regulated health plan enrollees from being balanced billed when receiving emergency care at any facility or when services are received at an in-network hospital or ambulatory surgery center by out-of-network providers. For additional information regarding these rights, please refer to Member Rights and Standard Consumer Notice by visiting: individualandfamily.chpw.org/member-center/member-resources/plan-documents/.

Charges incurred through services provided by non-contracted providers may exceed patient responsibility.
