Section 1 - Introduction

This directory provides a list of CHPW Cascade Select network providers. To get detailed information about your health care coverage, please see your **E**vidence **o**f **C**overage (EOC).

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP) clinic. Generally, you must get your health care services from your PCP clinic. If you do not select a Primary Care Provider clinic, we will assign one to you.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers, including specialists, listed in this directory. Please note that any services provided by an out-of-network provider require a referral. There are only a few types of covered services you can get on your own, without getting a referral (approval in advance) from your PCP clinic.

You must use network providers except in emergency situations. If you obtain non-emergency care from out-of-network providers, or if you do not have a referral when required, CHPW Cascade Select will not be responsible for the costs.

Some network providers offer telemedicine services. Contact the provider or Customer Service at 1-866-907-1906 (TTY: 711) from 8:00 a.m. to 5:00 p.m., Monday through Friday to learn what services are available and how to access them.

If you are unable to locate a provider for gender-affirming treatment, please call Customer Service at 1-866-907-1906 (TTY: 711) from 8:00 a.m. to 5:00 p.m., Monday through Friday. CHPW will help you identify an appropriate provider.

Please call Customer Service at 1-866-907-1906 (TTY: 711) from 8:00 a.m. to 5:00 p.m., Monday through Friday, or see your EOC for more information—including services that require a referral and the cost-sharing that applies to out-of-network services.

If you believe information in this directory is incorrect, please report it by calling Customer Service at 1-866-907-1906 (TTY: 711), from 8:00 a.m. to 5:00 p.m., Monday through Friday. CHPW will review reported inaccuracies and update verified information as part of its regular directory updates.

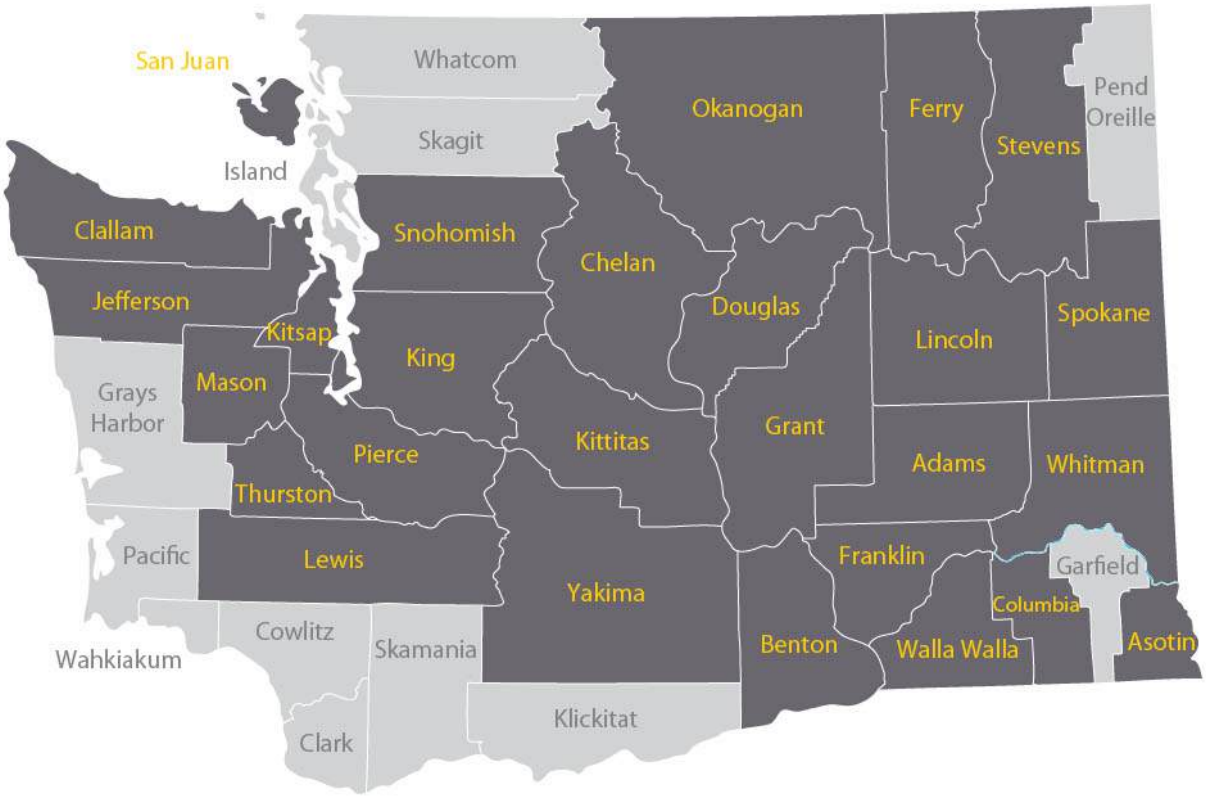
The counties in our service area are listed and shown in the map below.

Adams, Asotin, Benton, Chelan, Clallam, Columbia, Douglas, Ferry, Franklin, Grant, Jefferson, King, Kitsap, Kittitas, Lewis, Lincoln, Mason, Okanogan, Pierce, San Juan, Snohomish, Spokane, Stevens, Thurston, Walla Walla, Whitman, and Yakima.



How do you find CHPW Cascade Select providers that serve your area?

Your PCP clinic is responsible for all your routine health care services. You should call them first with any health concerns, except for an emergency. (In an emergency, call 911.)

Your relationship with your PCP clinic is an important one. We strongly recommend that you choose a PCP clinic close to home. Having your PCP clinic nearby makes receiving medical care and developing a trusting and open relationship easier.

When making your choice, you might also consider if the PCP clinic office is open evenings and/or weekends and what languages the PCP clinic staff speak. If you have specific concerns such as disability access, you may want to call the provider's office to get the answers you need to pick the right PCP clinic.

If there is a particular specialist or hospital that you want to use, check to be sure that your PCP clinic can make referrals to that specialist or hospital.

Sección 1: Introducción

Este directorio ofrece una lista de los proveedores de la red de los planes Cascade Select de CHPW. Para obtener más información sobre su cobertura de atención médica, consulte su Evidencia de cobertura (**E**vidence **o**f **C**overage, EOC).

Tendrá que elegir a uno de nuestros proveedores de la red que figuran en este directorio para que sea su clínica proveedora de atención primaria (**P**rimary **C**are **P**rovider, PCP). Por lo general, su clínica PCP es quien debe proporcionarle sus servicios de atención médica. Si no selecciona una clínica proveedora de atención primaria, le asignaremos una.

Los proveedores de la red que figuran en este directorio aceptaron brindarle sus servicios de atención médica y oftalmología. Puede acudir a cualquiera de nuestros proveedores de la red, incluidos los especialistas, que figuran en este directorio. Tenga en cuenta que los servicios prestados por un proveedor fuera de la red exigen una derivación. Existen solo algunos tipos de servicios cubiertos que puede obtener por su cuenta, sin contar con una derivación (aprobación por adelantado) de su clínica PCP.

Debe utilizar proveedores de la red, salvo en situaciones de emergencia. Si obtiene atención que no sea de emergencia de proveedores fuera de la red o si no tiene una derivación en los casos en que se exige, los planes Cascade Select de CHPW no serán responsables de los costos.

Algunos proveedores de la red ofrecen servicios de telemedicina. Comuníquese con el proveedor o con el Servicio de Atención al Cliente al 1-866-907-1906 (TTY: 711), de lunes a viernes, de 8:00 a. m. a 5:00 p. m., para saber qué servicios están disponibles y cómo acceder a ellos.

Llame al Servicio al cliente al 1-866-907-1906 (TTY: 711), de lunes a viernes, de 8:00 a. m. a 5:00 p. m., o consulte nuestra EOC para obtener más información, incluidos los servicios que exigen una derivación y el costo compartido que se aplica a los servicios fuera de la red.

Si considera que la información de este directorio es incorrecta, por favor comuníquelo llamando al Servicio de Atención al Cliente al 1-866-907-1906 (TTY: 711), de lunes a viernes, de 8:00 a. m. a 5:00 p. m. CHPW revisará las inexactitudes notificadas y actualizará la información verificada como parte de las actualizaciones periódicas del directorio.
