

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [individualandfamily.chpw.org](http://individualandfamily.chpw.org) or call 1-866-907-1906. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-318-2596 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	\$0 individual / \$0 family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Preventive care services, primary care, laboratory tests, urgent care visits, and generic brand drugs are covered before you meet your deductible.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No	You don't have to meet deductibles for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	Not applicable	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Out-of-network services are not included in out-of-pocket limit.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. There are no out-of-network providers in this plan.	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a provider in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No referral is required to see an in-network specialist or provider.	You can see the in-network <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
